Our primary goal is to raise money to provide college scholarships for eligible young women and men who need support to make their educational dreams come true. Our community, like others, is feeling the effects of the economic downturn because of COVID-19; as a result, we need your help, more than ever, as we work to support youth who need assistance to continue their educational pursuits. Our mission is to assist disadvantaged minority students continue their education, and we need your help to make this a reality.

This spring, the Club awarded scholarships to six students. We have also contributed to the Des Moines Public Schools' golf education program, "Swing for Youth."
